

## Using the District Officer Function

The **District Officer** link on the **Club Administration Home** page will allow you to display information about your district officers

**Click** on one of the two links shown above to access the information about district officers. The following window will be displayed:

**Click** on any office to access the information, as shown in the picture above. The next window (shown in the next column, above) is displayed. Note that there is no ability to **change** any of the officer information.

**Click** the **Close** button to return to the **District Officer List** page or any other underlined link in the gold or red menus to select a new function.

**Click** the **Close** button on the District Officer List page to return to the **Club Administration Home** page, or make any other selection from the gold or red menus.
